

# SMALL BUSINESS & NONPROFIT LEGAL CLINIC

## Small Business & Nonprofit Legal Clinic

The Small Business & Nonprofit Legal Clinic provides free transactional legal services to small businesses, under-resourced entrepreneurs, and nonprofit organizations. The Clinic is dedicated to strengthening and empowering under-represented communities. Under the close supervision of licensed attorneys, law students assist clients in the following areas:

- Business formation
- Nonprofit organization formation
- Contract review and negotiation
- Nonprofit tax-exemption and maintenance
- Business permits and licenses
- Copyright and trademark registration

The Clinic is now accepting applications for legal services. The Clinic gives priority to projects that are community-based, assist underserved populations, or are owned/operated by women, minorities, or economically disadvantaged individuals.
